Please be aware that scheduling for festivals is very difficult. If you sign up to perform a solo, you will be expected to be on time and prepared. Backing out at the last minute is a poor reflection on you and on Kellenberg. Preparing a solo to be done properly is hard work and will take much time and effort on your part. If you are not serious about wanting to do a solo and following through with it, please do not sign up. We trust that you will cooperate in this regard.

Please check the dates before handing in your form. **If you have a definite conflict on one of those days, please request an appropriate general time when you can make the audition- Friday - afternoon or evening / Saturday - morning or afternoon.** If no conflict exists, simply leave that line blank and you will be scheduled for any available time during the festival. **Once scheduled, your time is definite and may not be changed.**

**Please be aware that the Levittown festival is a Tuesday and Wednesday. Audition times will begin at 4:00 pm.**

All soloists must purchase their own copy of the NYSSMA solo. Photocopies are not permitted. You will be notified of your grade by your teacher in the week following your audition.

If you have any questions, please do not hesitate to contact Mr. Blanton, Mrs. Zider or Mrs. Tochelli.

Thank you.

***THIS FORM MUST BE COMPLETELY FILLED OUT AND RETURNED WITH PROPER PAYMENT AND SIGNATURES. All State students must submit additional registration/information form.***
